

BROUWER kesmac

EQUIPMENT BUILT FROM EXPERIENCE

FINANCING SOLUTIONS TAILORED TO YOUR BUSINESS

Care Lending Group (CLG) is excited to announce our partnership with Brouwer Kesmac. This collaboration positions CLG as the exclusive financing partner for Kesmac customers, offering specialized financing solutions that make it easier to acquire high-quality sod harvesting, mowing, and transportation machinery.

With this partnership, Kesmac customers can access flexible financing options tailored to their unique operational needs. Whether expanding your fleet, upgrading equipment, or optimizing cash flow, CLG's customized financing programs are designed to support your business growth and ensure you have the best machinery at your disposal.

Industry Expertise

Extensive industry expertise allows CLG to understand our customers' unique business needs and work with you to identify and deliver truly customized solutions.

Agility

CLG's responsiveness and ability to operate at the speed of business while supporting your objectives is one of our core strengths and differentiates us from traditional lenders.

Flexibility

As a trusted advisor and financing partner, we work closely with our clients to structure flexible leases and loans that meet your current needs while helping you reach your long-term goals.

Capital

CLG has long-standing relationships with several funding partners as a financial intermediary, uniquely positioning us to offer innovative lending solutions tailored to your needs.
