

FOLDABLE COMPACT SOD CUTTER

MARK II

**BROUWER
kesmac**

COMPACT AND TRANSPORTABLE. THE MARK II IS THE LIGHTWEIGHT CHOICE FOR RENTALS AND CONTRACTORS.

The Mark II Sod Cutter is manufactured in North America by Brouwer Kesmac, a world leader in production and export of sod harvesting equipment. Brouwer Kesmac is a name closely associated with quality craftsmanship and the Brouwer Mark II Sod Cutter reflects that same quality that goes into every Brouwer Kesmac machine.

With a 13" inch split cutting blade to reduce vibration, including adjustable spacing, the Brouwer Mark II is the perfect tool for landscapers, contractors, rental outlets, golf courses and cemeteries. Optional blade to shred old cut sod and dethatcher blade to remove thatch, makes the Brouwer Mark II ready anytime turf requires removing, repairing, renovating or lifting.

- Lightweight frame at 195lbs
- Finger-tip Cutter Speed Controls
- 5 1/2 HP Honda GX160 Engine
- Easy fold handles for storage or transport.
- Adjustable handles to suit operator height
- V-Belts, spur gear reduction and chain

MARK II 13" | 20/21
