

SELF PROPELLED RIDE-ON TURF ROLLER

TR-224

**BROUWER
kesmac**

THE ULTIMATE LANDSCAPING ROLLER FOR JOBS WITH TIGHT AND NARROW ACCESS.

The TR 224 turf roller from Brouwer is ideal for tight spaces or areas with limited or narrow access. Robust but gentle on turf, you can trust the TR 224 to start newly laid turf off healthy and strong.

This ride-on turf roller is easy on turf and easy on the operator, with lever-assist steering for exceptional maneuverability, proven single-lever F-N-R clutchless transmission and single-lever shifting. The TR 224 from Brouwer is the reliable, economical way to set fresh turf.

- Honda 5.5-hp engine for reliability and economy.
- Unique rounded-edge rollers prevent turf damage.
- Two fill-drain plugs per roller for convenience.
- 24" inch wide rollers for access to narrow paths.
